

TEE OFF FOR TOMO!

Just a little bit about Tomo...

Thomas “Tomo” is the son of North County Fire Engineer Tom Harrington .The Harrington Family was recently shaken to their core when Tomo was diagnosed with Wilms’ Tumor.

Wilms’ Tumor is a rare kidney cancer that primarily affects children.Tomo is a joyful boy who loves to be outdoors with his family and carries the strength and courage of some of his favorite superheroes.

To help with medical expenses and to ease financial burden on the Harrington Family while Tomo fights through his treatments we ask that you make a donation or join us on the course to show your support.

Can't make it out to our EVENT?

Here's how you can help!
